

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

[illegible]

[illegible][illegible]

Sir:

In virtue of the General orders of the Commander in Chief of the Commonwealth of May 12th, 1812 Drafted, Organized, Officered and detached the quota of the First Brigade First Division of Pennsylvania Militia. And have the honour to State that on Mustering and Inspecting the First class of the respective Regiments composing this Brigade, With the Artillery, Regiment of Cavalry, and Philadelphia Militia Legion The number vastly exceeded my expectations, Should the same patriotic spirit be manifest when marching orders are issued, of which, I have no reason to doubt A proportion takeing from the First class of the militia would with the Artillery, Cavalry and Militia Legion be more than sufficient to Compleat the quota required of this Brigade. I regret exceedingly that from an Inspection made of the Public Arms particularly those in possession of the Philadelphia Militia they are entirely unfit for public service—as also those in possession of the Regiments Composing this Brigade are in tolerable order with the exception of arms in possession of the 24th and 50th Regiments which are in such a State that not one of Twenty is fit for Service. Rifles are much wanting there being several Companies Organized and have become attached to the Phil'a Legion and could they be obtained it would greatly add to the increase of their Companies all of which is respectfully submitted.

Your ob't Hub'le St.

DANIEL SHARP, Brigade Inspector.

Philadelphia, May 4th, 1813.

Dear Sir:

Being honoured by you with a Commission of Colonel to Command the 4th detachment of P. M., I inclose A Copy of the Several Muster Rolls of Companys as deleverd to me by the Brigade Inspectors of the City and County of Philad. which Colol. Binns my Self Organized them on the 19th of April and was Reviewed by General Blomfeild after the Rigment was Reviewed by the General he Requested me to dismiss the men untill further orders but to keep themselves Ready at A moments Notice Accordinly I Gave the Captains orders to mention the Generals orders to theas men before thay dismesd them. Since then I have Receivd no instructions from him, you will see by the letters of ours that he would not Receive the troops when Organizd it is my Opinion that it will be a difficult task to Get the men in the County together again, as the drafts have been musterd before and sent home,

thay Consider this as the same, I have delevered to the **Several Captains** a number of the Printed Muster Rolls for them to have put up in the most Conspicuous Places in thear Company Bounds so that every man will no that he is inRolld. and will no his officers and the officers will Get to no the men Colonel Duane told me yesterday that he beleved thay would wont one Company from the detachment to go to some part of Delaware state but the troops do not seem willing to go by so small a number I mentioned to Daune that he had better take at least one Battalion

Your Obedient Humb. Servt.,
LEWIS RUSH.

His Excellency
Simon Snyder
Governor of the Commonwealth
of Pennsylvania.

MISCELLANEOUS PAPERS—1812-14.

Reading, Sept. 5, 1812.

Sir: On the 19 of June last when attending the 114 Regt. Collonel John Kreamer of said Regt., when I was making the draft, the said Kreamer in place of him giving me assistance and incouriging the men to turn out he told them, if in case they dit the Regt. would be obliged to give their Quato for all that no credit would be given to the Regt. for any of the Voluntears; further detained me for considerable time telling the men that thear was time anough and further if ther was any that was willing to turn out he would be damned if he would not persuad them not to do it. My onnly Reason for giving you this infirmation is for the good of the Service, and is my Request that you will have him arrestit or cause it to be done, it would have a better affect if the arrest comes from you I am Sir your

GENERAL ORDERS—1812-14.

GENERAL ORDERS.

Harrisburg, 25th August, 1812.

The President of the United States having, through the Secretary at War and General Dearborn, under date respectively of the 13th inst. required a detachment of 2000 Militia, to be marched with the least possible delay from the north-western parts of Pennsylvania to Buffalo, in the state of New York; duty and feeling direct a prompt compliance with a requisition giving scope for action to the patriotism evinced by that portion of our citizen soldiers who have volunteered their services under General Orders of the 12th of May last, in substitution of the draft required of the State. To obey this call in defence of rights sacred to freemen—to avenge the injuries of the nation, and defend the cause of suffering humanity—the Volunteers of Pennsylvania will not hesitate a moment to meet the avowed enemy of those rights, not only within the bounds of the United States; but will, without those limits, with ardor seek, and with the determination characteristic of freemen, punish the unprovoked invaders of our rights and property.

The Governor with pleasure embraces the present occasion to perpetuate the honorable fame acquired by those gallant sons of Pennsylvania who volunteered their services by naming the Commandants of those patriotic Corps and Companies, and the Division and Brigade to which they severally belong.

For obvious reasons the Adjutant General has orders to designate for the service such of the Volunteers as can, with the least possible delay, be marched to the scene of action; and is charged with the organization of the detachment of 2000 men, conformably to the following plan:—The detachment to constitute a Brigade to consist of four Regiments, and each Regiment to consist of two Battalions, to be arranged by the Adjutant General at the place of rendezvous.

The general rendezvous will be at Meadville, to which place the Volunteers composing the detachment will march with the requisite expedition, so that they will be there on the 25th day of September next. By the 26th section of the general militia law, among other services by them to be performed, it is made the duty of the Brigade Inspector to march each with his proper detachment to the place of rendezvous. These officers are severally required and directed to provide subsistence and other necessary accommodations for the troops on their march, and exhibit detailed accounts for settlement and payment to the Accountant Officers of the Commonwealth.

Apprised of the generally prevailing desire that those appointed to command may be the choice of the commanded, the Governor, agreeably to the 10th section of a supplement to the militia law passed 26th March, 1808, and the 27th section of the general militia law, authorises and directs the officers and privates of the detachment, on the day succeeding the 25th day of September next, or those who shall have arrived, to elect, agreeably to the rules prescribed by the militia law, one Brigadier General; each Regiment to elect a Colonel Commandant; each Battalion one Major. The Brigadier General to appoint his own Brigade Major; the Field Officers of each Regiment shall appoint their respective regimental staffs. To expedite the expedition, in discharge of his duty the Adjutant General will attend and deliver to the officers elect their commissions.

SIMON SNYDER,

Governor of the Commonwealth of Pennsylvania

N. B. BOILEAU,
Aid de Camp.

Sir: You will immediately, on the receipt of the General Orders, communicate them to the Captains or commanding Officers of the Volunteer Companies within the bounds of your Brigade, viz. James Alexander fifty-three John Lochry six total one hundred and nineteen men including officers.

And give every aid in your power to have the companies marched as expeditiously as possible to the place of rendezvous (Meadville) mentioned in General Orders. The troops will be supplied with rations, tents and other camp equipage, by the United States. Should there be any deficiency of arms in any of the Volunteer Companies, you will supply them out of any that may be in the bounds of your Brigade. If there cannot be a sufficient number found in that way, they will be furnished

at the place of rendezvous. Every man will take care to supply himself with a blanket and knapsack. It is confidently expected that the patriotism of the Volunteers is too sincere and ardent to permit them to make any objections to crossing the boundary line of the U. States; otherwise they will render no service to their Country.

By order of the Governor.

WM. REED, Adj. Genl.

To Robert Beatty, Esq., Brigade Inspector,
2d Brigade 15th Division.

GENERAL ORDERS.

Harrisburg, September 5th, 1812.

The recent disastrous events on the north-western frontiers of the United States, presenting imminent danger, impels the Executive of Pennsylvania, under requisition of the Constituted Authorities of the United States, to order out for the service of the Union a detachment of 2000 men, to be composed of the drafted militia and of flank companies and horse of the 12th, 13th, 14th, 15th & 16th, divisions; each division to furnish a number, which, added to the volunteers already in service under General Orders of the 25th ult. will be equal to its quota, as designated by the Adjutant General, under General Orders of the 12th May last.

No return of drafts having been received by the Executive from the 2d brigade of the 13th division, the Brigade Inspector thereof is directed to give immediate notice to three flank companies and three companies of horse, attached to his brigade, to march; and he is directed to march them to the place of rendezvous hereinafter mentioned.

The Brigade Inspector of the 1st brigade of the 13th division is commanded to march the drafts from his brigade to the place of rendezvous.

The Brigade Inspectors of the other divisions being now on their march, with their respective detachments, under General Orders of the 25th ult. the Brigadier Generals of the other divisions will appoint the senior officer of each regimental draft to give notice to the drafts, officers and privates within the bounds of their respective regiments to meet at some

convenient place within the brigade; and after having mustered the respective detachments, the said Brigade Inspectors as aforesaid, and the said senior officers, shall march their respective detachments to Pittsburg, with the requisite despatch, so that they arrive at the said place of rendezvous on the second day of October next. On the next day thereafter, or as soon as a majority of the detachment shall have arrived, the officers and privates shall elect one Brigadier General to command the detachment, which is to constitute a brigade, and is to consist of, and be formed into four regiments, and each regiment to consist of two battalions. Each regiment to elect one Colonel Commandant, and each battalion one Major.

Volunteers will be accepted in substitution of any draft or drafts.

Subsistence and accommodations for the troop on their march to the place of rendezvous, it is presumed will be furnished by the United States contractors. If no provision shall have been made by those contractors, the men will either supply themselves, or the several commandants on the march to the rendezvous will do it, and render their accounts as directed by General Orders of the 25th ult.

The Brigadiers General, for ascertaining their respective drafts, are referred to a note accompanying this, containing so much as is necessary of the Adjutant General's detail, founded on returns to him from the respective Brigade Inspectors.

The Adjutant General will attend at the place of rendezvous, and take the command of the detachment, until the officers are chosen. To them, respectively, that officer will deliver commissions; and will pay any expenses incident to the service that may not be provided for by the United States. At the place of rendezvous the detachment will be furnished with tents and other field equipage.

Should there be any deficiency of arms, the said Brigade Inspectors and Brigadiers General will supply the respective detachments with any to be found within the bounds of their respective brigades. If there cannot be found a number sufficient, they will be furnished at the place of rendezvous. Every man will supply himself with a blanket and knapsack.

The Brigadier General having assumed the command, will, with the least possible delay, march his detachment to, and join an army now assembling in the state of Ohio for defence of the western frontiers, unless otherwise ordered by the commander in chief of the United States' army.

The Governor embraces the present opportunity of record-

ing the names of commanding officers of companies who have patriotically tendered their services, not included in General Orders of the 25th ult.

Henry Shippen, Capt. company of Yagers, 1st brigade, 4th div.

William Adams, Capt. Troop of Horse, 2d brigade, 6th div.

Jacob U. Snyder, Capt. Troop of Horse, 2d brigade, 6th div.

Robert McGuigan, Capt. Light Infantry, 2d brigade, 9th div.

Isaac Vandevender, Capt. Rifle Company, 2d brigade, 11th div.

And also to express his high sense of the valor of those patriotic citizens who voluntarily flocked to the standard of their country, on the north-western frontiers of the state, to arrest the progress of an invading foe.

SIMON SNYDER.

Governor of the Commonwealth of Pennsylvania.

N. B. BOILEAU,

Aid-de-Camp.

Extract from the Adjutant Generals return From the 2d Brigade 15th Division 245 drafts including Officers. Of that number there are 129 Volunteers already marched. It will be understood and it is so directed, that if the proper Brigade Inspector can attend to the duties enjoined on the Brigadier General, and on senior Officers of Regimental detachments, these General Orders are in that case, considered as being directed to the Brigade Inspector of your Brigade.

As soon as you have fixed the place of assembling the detachment in the ——— of the brigade from whence they are to march to Pittsburg and their number you will please to Communicate the Same to one of the Contractors—Ebenezer Denny at Pittsburg for the West—Richard Parker at Carlisle for the East of the Allegheny Mountain.

N. B. BOILEAU,

D. MEAD, Mej.

Meadville, 15th Sept., 1813.

Hon'd Sir:

On the late call of Militia we had a much greater proportion of Officers than privates so that the expence will be enlarged considerable as early as circumstances would admit I had

ordered the Organization of one full Regiment so as to discharge all the supernumery Officers, the Plan of Organization I have forwarded by Majr. Hurst for your Excellency's inspection.

But immediatly when the fears or Doubts of our Fleets were removed by their geting over the Bar we thought best to discharge the whole.

I am with much respect

Your Humble Servant,

DAVID MEAD.

The Governor.
